

**REMARKS**

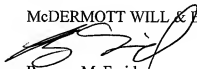

The "Amendment to Claims" section of Applicants' response filed February 20 and June 11, 2007 is objected to as being non-compliant. Enclosed is a corrected amendment section as requested in the Notice of Non-Compliant Amendment ("Notice") dated September 6, 2007. It is respectfully submitted that the enclosed corrected amendment obviates the issue raised in the Notice. Accordingly, it is respectfully submitted that the amendment is now in compliance. Moreover, it is respectfully requested that withdrawn claims 5-6 be rejoined if claim 1 from which they depend is deemed allowable.

If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' attorney at the telephone number shown below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
